OUR FRIENDS WHO SPONSORED  
OUR NEW SCHOOL BUILDING

Dear friends of AICM,

On behalf of other students who study from AICM RWAMAHANO primary School, we greatly appreciate your support you rendered to our school building both economically, spiritually and materially. your work will be rewarded by God.

This new building you set up for us, really it's our hope because in past we could face a challenge of heavy coldness due to poor building structures but now that is history. May God bless you, abundantly.

We want to encourage you that really we are doing the needful together with our head teacher, all teachers and parents under the guidance of our Executive Director AICM to uplift AICM RWAMAHANO primary school.

May our good lord bless your great work done

your's Faithfully
